## ABOUT WORLD EDUCATION CONGRESS & AWARDS

The World Education Congress will be a rendezvous, in which participants will discuss "Evolving Trends in Education". The congress will examine modern as well as traditional knowledge system. The Congress will further explore how education can help develop mental, emotional and physical skills to help facilitate personal excellence as well as psychological and Socio - economic wellbeing, in the challenging times the world faces today. Besides networking opportunities, the conference offers unique in-depth approaches to understanding important academic issues that affect an Institution's viability in today's fast-paced business environment.

### THE CONGRESS WILL FOCUS ON

- To influence the evolving culture of education and educational pedagogy, with the objective of deep systemic change.
- To build on a vision and strategies for Higher Education Institutes.
- To Provide exposure to latest education tools, technologies and Solutions.
- To encourage collaboration and partnership among Institutions.
